THREE PENNSYLVANIA SUPERINTENDENTS OF PUBLIC INSTRUCTION—MINISTERS OF THE REFORMED CHURCH.

REFORMED ALMANACS.

THE first English almanac for the Reformed Church in the United States was issued in 1864. Its editor was Rev. Dr. Henry Harbaugh, the literary genius of the Reformed Church. He published five issues, and then handed the work over to others. He used the almanac, as he used every other means at hand, for the education of the people of the Church he loved and served so well. Previous to 1864 the only almanac in the Church was a German one published in Cleveland. The Western Almanac, now issued at Dayton, Ohio, was first published in 1873.

THE REFORMED CHURCH AND THE PUBLIC SCHOOLS.

Our forefathers built the church and the school house side by side. They believed in an educated ministry and in an educated laity as well. And it was very natural that the first movement for an organized system of public schools proceeded from people who believed in an educated ministry as over against the people of the sects who opposed a learned clergy. Michael Schlatter, a Reformed preacher was the first superintendent of public instruction in Pennsylvania. Since then two distinguished ministers of the Reformed Church have occupied this office. The present superintendent, who has a State and National reputation as an educator, Rev. Dr. N. C. Schaeffer, is everywhere acknowledged as a leader in educational work. Of Rev. Dr. Higbee, honored throughout the Reformed Church, it may be said that no man ever more strongly influenced the minds of the teachers of a State than he.

THE CONDITION AND PROGRESS OF THE CHURCH IN 1902.

During last year nothing occurred to mar the unity and peace of the Church. There is, as there always must be, diversity in theological opinions and in Church customs. The spirit of the Reformed Church permits liberty in these directions. At the same time the church has never come nearer to unity and concord in charitable and general benevolent work. The receipts last year for Home Missions amounted to about $60,000, which was $10,000 more than the previous year; whilst the receipts for Foreign Missions were $47,710, about $11,000 more than the year before. There were last year 11,929 confirmations. There were reported 200 students for the ministry. $270,000 were contributed for benevolent objects, and $1,353,211 for congregational purposes. The members of the Reformed Church have every reason to be encouraged with the present outlook. They are at present face to face with great opportunities. May they have grace to meet them like true children of God.

DEACONESS HOME AND HOSPITAL, ALLIANCE, O.

THE REFORMED DEACONESS HOME AND HOSPITAL, ALLIANCE, OHIO.

THIS Association was organized January 20th, 1900, and began active work with the dawn of the 20th century. Suitable property was secured at very reasonable terms. Owing to the growth of the work the third story had to be occupied. This is not yet completed because of lack of funds for this purpose.

The primary aim is to have a good training school for Deaconesses and nurses for the English portion of our Church. A thorough course in Deaconess work and nursing has been provided. There are six who are now taking the training.

At present there are practically three institutions under one roof: Deaconess Home, Hospital and Training School.

The Hospital admitted over a hundred patients last year, which was its first year, and according to present record will care for over two hundred this year.

The institution has received the official endorsements of the Eastern Ohio Classis, in whose bounds it is located, the Ohio Synod, and the General Synod at its last meeting unanimously passed the following: "We therefore heartily commend this work of Deaconesses to all the Classes and consistories and request their earnest prayers and support for the cause."

The institution is supported by voluntary offerings and membership dues. The need for financial aid is still urgent. Applications from those willing to become Deaconesses are solicited. The names of the persons in the above group of Deaconesses are: Mrs. M. E. Whitmore, Miss Ethel Cost, Miss Emma Meiser, Miss Martha B. Reineke, Miss Fanny McPhail, Miss Lula Bernhard, Miss Julia Kensinger.

Reports and further information about the work will be cheerfully sent to any one desiring the same.

THE MEN WHO HANDLE THE MONEYS OF THE CHURCH.

WE have here the portraits of seven men whose names are well known, inasmuch as for a number of years past they have been receiving and paying out the moneys contributed by the people to the several benevolent objects of the Church. They are of course honest and honorable men. That is taken for granted. That is no great praise. To be anything else would be disgraceful. These men are more than honest. They are Christian gentlemen, devoted to the Master, willing to devote part of their time to the administration of the King's business. They receive small or no salaries. That is right. Such service is its own reward.

GRACE MEMORIAL REFORMED CHURCH, WASHINGTON, D. C.

On the cover of this almanac will be found a cut of the new Grace Memorial Reformed church, Washington, D. C., of which Rev. Dr. J. M. Schick is pastor, and where President Roosevelt attends services. Toward the erection of this church many of our Reformed people have contributed.

The style of architecture is 16th century German Gothic. It is built of Cleveland Lower Canon greystone. The dimensions are 52 by 72 feet. The seating capacity is 550. The interior will be finished in red birch, mahogany finish. The ceiling is vaulted and finished in wood. There is a gallery across the front of the room. The chancel furniture, made of mahogany, will be donated as a memorial. The stained glass windows will also be memorials. The cost of the finished structure is $40,000. The cornerstone was laid with appropriate ceremony by the President of the United States, July 1, 1902. The church will be completed and ready for service early in 1903.

—A selfish church is a church that cares only for itself, and does nothing for the orphans, or for missions, or for education. Like a selfish individual it is an abomination in the sight of the Lord.

OUR BOHEMIAN MISSIONARIES.

WORK AMONG THE BOHEMIANS.

THERE is a large Bohemian population in the United States. In Chicago alone there are 89,000. The Reformed Church has a mission here in charge of Rev. James Dudycha. The Board owns a lot on which a church should be built at once. In Cleveland, Ohio, there are 45,000 Bohemians. The pastor of our mission among them is Rev. Anthony Korbel. It occupies a church erected at a cost of $4,800. It was dedicated in 1899. As a church we owe a duty to these Bohemian brethren. They deserve our help. They come from a Reformed land. We should save them for the Church and the State from rationalism. The effort of the Church in this work should be greatly increased without delay.

WEST OF THE ALLEGHENIES.

The time was when the Reformed Church consisted of congregations east of the Alleghenies, and it was said that it would likely never pass these limits. Those who talked of missions in Western Pennsylvania and in Ohio were thought to be altogether visionary in their views. But the Church has long since crossed the mountains, and now the Church in Western Pennsylvania, Ohio, and beyond, together with their colleges, orphanages, deaconess houses and numerous missions are counted among the choice treasures of the Church. It is not safe to set a limit and say, So far and no farther the church shall extend. An object lesson in church expansion will be found in the pictures of mission churches found at the foot of the twelve calendar pages—all of them located west of the Alleghenies.

LOYALTY TO THE BOARDS.

In the Church, as in the State, we save time and expense, and make progress by a division of labor. We cannot do everything for ourselves. Some things must be done through our representatives. In this way we come to have an organization and offices. We elect men to do certain things in which we are all interested, but to which we can not attend ourselves. The men on our Church Boards are elected by our representatives. They are therefore our agents. They are doing our work. It is little enough that we should pray for them, and pay to them enough to carry on the work we have committed to their care.

—The church should be well ventilated before each service. Stale and poisoned air spoils many a church service. It saps the vigor of the preacher, and makes the hearers dull and heavy.

WORK AMONG THE HUNGARIANS.

NO work undertaken by the Reformed Church is more important or more promising than that among the large Hungarian population now widely scattered in great numbers all over the land. In this country, as in Europe, many of these people are Catholics. The membership of the Reformed Church in Hungary numbers two million. The Protestant Hungarians in America are almost without exception, members of the Reformed Church. They prefer their own church, and look to the Reformed Church in the United States for aid and supervision. They are grateful for all help given them, but they always show a most commendable desire to help themselves. The Church is at the present time contributing about $5,000 annually to this work, not a half of what should be given. We have at present missions at Chicago, East Toledo, Cleveland, Pittsburg, Johnstown, Phœnixville, Trenton, New York, South Norwalk and Bridgeport. The portraits of our Hungarian missionaries show them to be well educated, fine-looking men. Three new men are now on their way to this country. From time to time, in the near future, still other Hungarian pastors must be secured for this growing work. The Church must not neglect the golden opportunity now open to her along the lines pointed out by providence.

FOUNDING NEW MISSIONS.

There are quite a number of places where new Reformed churches could be established, and do excellent work for the Lord. But the Mission Board is hampered for lack of funds. Why then not do some specialization in Home Mission work? Why can not some large and well-to-do congregations each propose to take under its care a new mission, and support it for a number of years? The effect on the old congregation would be healthy, and the encouragement given to the cause of missions would be stimulating.

—Close observers say that they see a marked difference between families in which the church paper is read, and families in which it is not taken. Those who read have an intelligent idea of the needs of the church, and are willing to help along every good cause.

NEW MISSIONARIES TO JAPAN.

OUR JAPAN MISSIONARIES.

THE Japan Mission has been calling for several years for a Business Manager, and the Board has sent out Rev. Jacob M. Stick to fill that very important position. He possesses eminent fitness for this work, and his presence will relieve our missionaries of much routine work. The need of a building for office use claims the attention of the Church, and it is to be hoped that some generous individual will donate $1,000 for this purpose. It will be a wise investment. Write to the Secretary for particulars. Rev. Herman H. Cook, Jr., will fill the need of a teacher of English in the Tohoku Gakuin. He is a representative of the German portion of our Church, and enjoys the full confidence of his brethren.

THE BURNING OF THE GIRLS' SCHOOL BUILDING AT SENDAI, JAPAN.

The Girls' School at Sendai, Japan, suffered a great loss in the destruction of its building by fire on March 8, 1902. There were forty girls, three teachers and a matron in the building, but happily no lives were lost. The school disbanded for one month, and then was reopened in rented quarters.

The buildings were insured for $5,00. Already many churches, societies and individuals have made their contributions for a new and enlarged girls' school at Sendai, and during this year every congregation, Sunday-school and society that has not yet contributed should do so.

NEW GIRLS' SCHOOL BUILDINGS.

The plans for this noble institution have been slow in maturing, but the purpose is to erect two buildings, a Recitation Hall, as a memorial to Christine Elizabeth Faust, and the other a large dormitory, for the proper housing of the students. The Church is responding very liberally for the new buildings, and we have reason to believe that the latter will surpass in convenience the former structure.

GRACE CHURCH, PITTSBURG.

GRACE CHURCH, PITTSBURG, PA.,
Rev. John H. Prugh, D.D., Pastor.

THE history of Grace Church is a demonstration that missions in the cities pay. The first church building of this congregation cost $16,000, of which amount the Church at large paid $6,000. But during Dr. Prugh's pastorate alone, the congregation has contributed over $200,000 for the support of the Church and her institutions and the spread of the Gospel, repaying by many fold, what the Church at large contributed to it nearly fifty years ago. And the pastors of Grace church, and membership, helped to make possible St. Paul's, St. Mark's, Trinity, St. Luke's, Calvary; First, McKeesport; First Hungarian, Trinity, New Kensington; Grace, Duquesne; First, Pitcairn; First, Homestead, and the recently organized Church of the Ascension, Allegheny, all Reformed congregations of Pittsburg and vicinity.

Because of the encroachments of the business interests of Pittsburg, the congregation has re-located its church edifice. Two years ago a fine site was secured near Schenley Park, at a cash price of $14,000. A year ago the old property was sold for $50,000 and a beautiful structure of low English Gothic style of architecture has been erected, representing an outlay, including cost of site, building, furnishings and organ, of about $90,000. The new church will be ready for occupancy this winter.

MAKE YOUR WILL.

Christian men and women should make their wills while they are in good health. They should also keep a correct account of their debts, and of what is owing them. These things should not be left to disturb the last hours.

Of their estate at least one-tenth should be left to the Church; if one of the children has died, part of what would have been its inheritance should be set apart as a memorial gift; if there are no children, at least one-half may be properly left to the Church.

If through negligence a will has not been made thirty days before the expected end, change the will, and leave the sum intended for the Church to some trusted friend, without conditions expressed in the will.

—The Germans in America have always been loyal and patriotic. The Pennsylvania-Germans during the Revolutionary War took grain from Lehigh and Berks counties to Valley Forge for Washington and his starving troops while people around Philadelphia sold their wheat to British soldiers for British gold.

—In 1730 the number of Reformed people in America was about 15,000—more than one-half of the Germans then in this country.

—The system of raising church moneys by apportionment has been found to work better than any other method yet discovered. It fixes a reasonable sum which each church should pay. The sum set is the low-water mark of benevolence. Above it there is abundant room for freedom and unlimited liberality.

CHRIST REFORMED CHURCH, LATROBE, PA.,
Rev. C. M. Hartzell, Pastor.

THE NEW REFORMED CHURCH AT LATROBE.

THIS fine church, an ornament to the town and a monument to the faith and energy of the pastor and people, erected at a cost of $32,000, including the price of the lot, was dedicated June 15, 1902. It is constructed of blue limestone. The style is Gothic. The interior, including pews and pulpit is finished in oak. The memorial windows are fine art glass. The Sunday-school annex contains twelve class rooms and a ladies' parlor. In the basement is a dining hall, with all necessary accommodations. The parsonage, part of the general structure, contains ten rooms, and a pastor's study. The whole building is heated with steam.

FOR THE NEW YEAR.

Speak a shade more kindly than the year before,
Pray a little oftener, love a little more,
Cling a little closer to the Father's love;
Life below shall liker grow to the life above.

THE NEW REFORMED CHURCH AT KITTANNING, PA.

The new church at Kittanning is one of the finest in Western Pennsylvania, and the pastor and his people are justly proud of it. It was dedicated on February 22, 1902. Through the untiring energy of Rev. Mr. Bowling and his many able assistants it was dedicated free of debt, and without any effort at raising funds on the day of dedication. The interior of the church is furnished in harmony with the solidity and beauty of the edifice. It is in every way suitable to the work and the comfort of the congregation. Not only the windows, but every article necessary for the furnishing of the church are memorials of the different organizations, families and members of the church. See page 29.

OUR CHINA MISSIONARIES.

The Board has been fortunate in its selections for the China Mission. Rev. W. A. Reimert and wife, and the Misses Christine Reifsneider and S. Emma Ziemer, will join the Hoys in the direct work of training the Chinese in the ways of Truth and Righteousness. These young people have special qualifications for the foreign field, and will bring to their new work a consecration and zeal that will be felt in our effort to uplift the souls immersed in sin. Dr. J. Albert Beam and wife go forth as our first medical missionaries. Both of them are graduates in medicine, and have won distinction in their profession. Mrs. Beam is also a nurse. The Church can safely entrust into their hands the founding of a hospital which has proven to be one of the most helpful agencies in the spread of the Gospel in China. (See page 17.)

ONE DOLLAR FOR APPORTIONMENT.

THE Lord has a great work in the world. No one person, however willing, could do it all. But every one can do his honest share of it. *That honest share is his apportionment.* It averages about one dollar a year for each confirmed member of the Church.

The best investment of $1.00 which the members of the Reformed Church can make is to pay the apportionment. That $1.00 does more good, in more places, to more people than $1.00 spent anywhere else.

See what it does!

Three cents of it for the contingent expenses of Classis and Synod, to keep our records, print our minutes and keep up our organization.

Eight cents to beneficiary education. There are many worthy young men who are called to preach the gospel, but who have not the means to enable them to get a college education. This eight cents provides for them.

Thirty cents to Home Missions. There are many little bands of Reformed people struggling against great odds. They cannot support pastors as yet, but will be able to do so in a few years, if we give them a little help now.

Twenty cents for Foreign Missions in China and Japan. This is an important work of Christ's Church, to tell the story to those who have never heard it.

One-half a cent goes to our Harbor Mission in New York City, where our missionary finds Reformed immigrants and directs them to places for good homes and a Reformed church.

Six cents for work among the Germans, Bohemians and Hungarians in this country, part of our Home Missionary work. Many Reformed people of these nationalities cannot speak English, but love the Church and long for the preaching of the Gospel.

Six cents for helping struggling missions to build churches. You would not keep some brother out of a church home for six cents, would you?

Five cents for the Theological Seminary. You want educated ministers and will not take any others.

Twelve cents goes to Washington Memorial church. This is a temporary apportionment to help build a suitable Reformed church in Washington.

Two cents for little Catawba College, Newton, N. C., in a country where everybody is still poor from the effects of the Civil War. Surely you could save a postage stamp for Catawba college, could you not?

What shall be done with the seven and a half cents left? Well, you have given nothing to the orphans and nothing to the support of disabled ministers, besides other causes that come before you every year. Divide the balance among these.

ST. LUKE'S REFORMED CHURCH, KITTANNING, PA.
Rev. Robert C. Bowling, Pastor.

So there it is! One dollar. Can you find any other way in which to invest $1.00 where it would go further, or do more good for the Master's kingdom? If not, then this is *your best investment.* Have you invested yet this year? Did you last year? How does your congregation stand? If it is delinquent, is it your fault?

THE NEW MESSENGER.

BEGINNING with January 1, 1902, the Messenger was enlarged and improved, making it one of the best denominational church and family papers in the country. At the same time it was reduced in price. It meets in every way the needs of the Church and the individual member. Its several departments furnish not only the claims of all the Boards of the Church, but furnish needed information along all lines. It is now the best, largest and most widely circulated paper in the Church. It suits alike the pastor, and people, both young and old. It is your paper not only because you subscribe for it, but because it belongs to the Church of which you are a member. It aims not to make money, but to serve Christ and His kingdom. The subscription price is $1.25 per year, or it will be sent on trial for three months to any person not a subscriber for twenty-five cents. Sample copy free. Address, Reformed Church Messenger, 1306 Arch street, Philadelphia.

CONSECRATED MUSIC.

In the great work of Christian Endeavor, the importance of consecrated music has been highly significant and widely realized. In order to provide a hymn book abounding with hymns that God has blessed and hence, hymns that are consecrated, a publishing firm in Philadelphia recently solicited hymns from at least two hundred prominent workers, and the result is a book entitled "Consecrated Hymns."

This book instantly met with wide patronage, and several State Conventions have used it exclusively. One of the hymns, entitled, "Love Keeps Me Singing," created an impressive scene at the annual meeting of the Philadelphia C. E. Union. The great choir sang it first, and the immense audience joined in spontaneously with such effect that it became necessary to repeat it several times. The effect was instant and thrilling. Examination copies of this book can be obtained by sending 20 cents to Geibel & Lehman, 1022 Arch street, Philadelphia, Pa. $15.00 per hundred. Specimen pages free.

A REMARKABLE S. S. HYMN BOOK.

The Grace Methodist Episcopal Sunday-school, of Wilmington, Del., recently appointed a committee of five persons to select a new hymn book. The committee decided among themselves that each one would examine a number of books, and at the end of two weeks' time a report was to be made, stating which book had been selected by each member. Strange to say, when they met, each one had selected a book entitled, "Uplifted Voices," and each had acted independently of the others. It is needless to say that this book was adopted by the school, and 400 copies purchased.

An examination copy of this remarkable book will be sent on receipt of 30 cents, money to be refunded if the book is returned within one week. $25.00 per hundred. Free specimen pages can be obtained by addressing the publishers, Geibel & Lehman, 1022 Arch street, Philadelphia, Pa.

His first public work was two years in Armstrong county, Pennsylvania; his second at Latrobe, Pa., for three years; after three years of rest and medical treatment, he in 1870 moved to Pattonville (now Loysburg), Pa., where he preached four years. Owing to ill health, this was his last charge. For some years he engaged in business in Bedford, Pa. In 1891 he removed to Philadelphia, Pa.

From his native land he came to Akron, O., in 1880, uniting with the Reformed church there under Rev. Dr. Jacob Dahlman. He began his preparation for the ministry in Calvin College, but soon went to the Mission House at Sheboygan, Wis., and finished it in a Presbyterian Seminary in Texas for the benefit of the climate. After serving a Presbyterian congregation in Texas for several years, he in 1894 took the Reformed church at Bellaire, O., where he ended his days. For some time he was Stated Clerk of St. John's Classis. In 1889 he married Miss Clara Dueble, of Canton, O., who with five children survives him.

His health soon failed and he went to New Mexico for relief, and died there. His body was brought to Columbiana, O., for burial. There he spent his early years and there he was confirmed.

Theological Seminary

Founded at Carlisle, March, 1825.

LANCASTER, PA.

Of the Reformed Church in the United States.

This School of Theology, the oldest educational institution of the Reformed Church, is conducted under the direction of three English Synods: The Eastern Synod, the Synod of Pittsburg and the Synod of the Potomac.

Its financial affairs are managed by a Board of Trustees consisting of eighteen Elders. Instruction and discipline are subject to the authority of a Board of Visitors consisting of twelve ministers. The Visitors and Trustees are chosen from the ministers and members of the three Synods.

The Course of Instruction embraces three years, and includes all the branches of a complete education for the Christian ministry. There is a post-graduate course of two years, to which a graduate of any Theological School is admitted.

The Seminary year begins on the second Thursday of September. Boarding can be obtained at from $2.50 to $3.00 per week. For further information address the President of the Faculty.

Franklin and Marshall College

Presents a happy combination of the old and the new in education. It has back of it a body of sound philosophy and pedagogy, as well as a most honorable record in scientific and humanitarian study; and it is keenly alive to the advantages and needs of the present day. It offers, therefore,

The Soundest Basis of Education
The Best Arranged Courses of Study
The Most Improved Methods of Instruction, and
The Latest Facilities for Class-Room and Laboratory Work

The elective system is used, but with moderation. Each course is made broad enough to secure thorough discipline and harmonious development at the same time that it widens out and affords room for choice in order that time may be used to the best advantage and the student be led on to thorough study and independent research. Ancient and Modern Languages, History, Mathematics, Social and Political Science, Philosophy (including Psychology, Æsthetics and Ethics), English Literature, Rhetoric and Oratory, Astronomy, Geology, Physics, Chemistry and the various aspects of Biology, Botany, Zoology, Physiology, Embryologo, Histology and Anatomy, all receive due attention under the most competent teachers.

FACILITIES.

The Daniel Scholl Observatory, the De Peyster Library, the Literary Societies, with their Libraries; the Gymnasium, the new Science Building, with unsurpassed facilities in its new Laboratories, making full provision for Physics, Chemistry, Assaying, Geology, and Biology in all branches.

TERMS.

The expenses are very moderate. College Fees for the Year, in three payments, $65.00. Boarding and Furnished Rooms, from $3.25 to $4.00 per week. Necessary expenses, not including Books and Laundry, $194.50.
